Dear [REDACTED]:

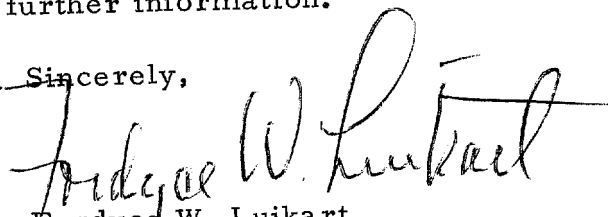

Thank you for inquiring about the Federal Executive Fellowship Program.

Enclosed is a brochure regarding the program and some nomination forms. Please explain to a nominee that it is probably desirable to attach a two or three page summary or outline of his or her study proposal indicating scope, methods of research to be used and probable end product, such as a book, manuscript, policy memorandum, articles, etc.

We will be pleased to receive a nomination from you. Our experience with others from C.I.A. has been pleasant. If the nomination is approved for a fellowship, we can negotiate the beginning date. Our space is limited and sometimes we cannot accommodate at exactly the time desired by the applicant.

Please call me if you need further information.

Sincerely,

  
Fordyce W. Luikart
